# Magnificent Lodge

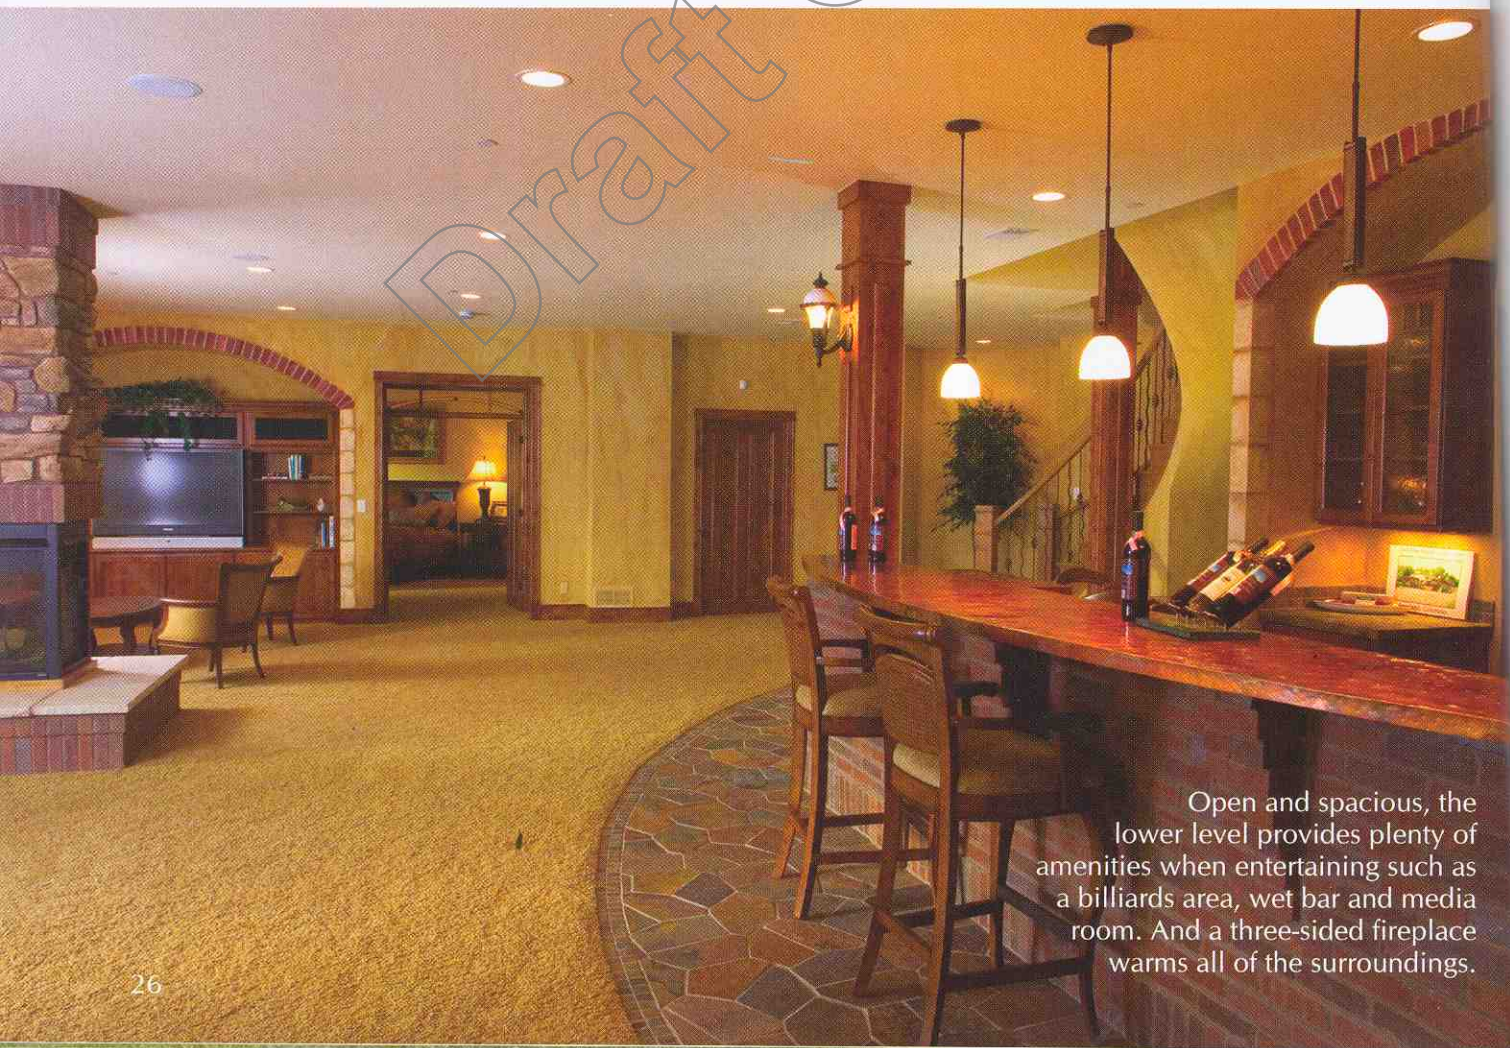

This amazing rustic lodge style home is completely covered in large, radiant windows flooding the interior with sunlight and allowing for magnificent views of the outdoor surroundings.

Filled with amenities around every corner, this home features a stunning entry staircase, a sunken great room that is expansive and intimate all at the same time, an enormous master suite and an entertaining lower level.

If you need to escape to a more private and quiet area of the home, retreat to the second floor library and loft and enjoy the serene surroundings with a great novel.

The rear view of this design is as grand as the front with an abundance of windows and enchanting outdoor living spaces.

Open and spacious, the lower level provides plenty of amenities when entertaining such as a billiards area, wet bar and media room. And a three-sided fireplace warms all of the surroundings.

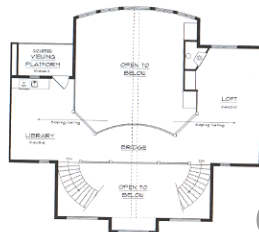

Photo, above: A spectacular stage is set upon entering this foyer with gorgeous views of the sweeping staircases.

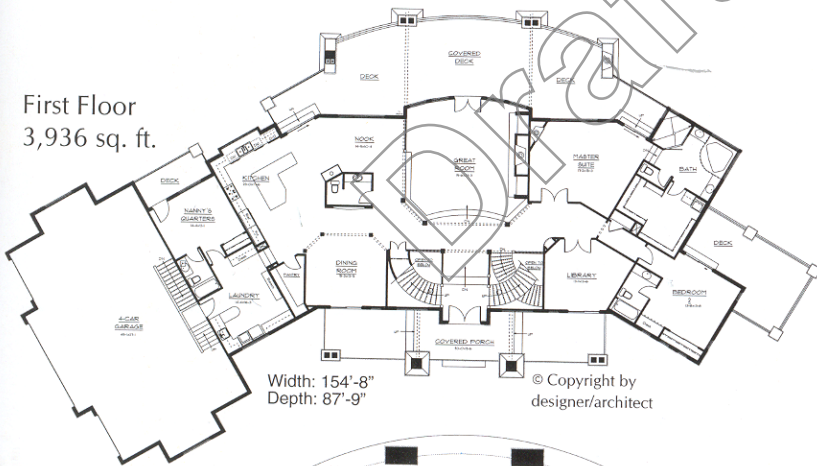

Photo, right: The oversized, gourmet kitchen features an L-shaped island perfect for quick meals and extra workspace. With easy access to the formal dining room and casual nook, this space is welcoming for gatherings.
